

2025 Benefit Highlights

Welcome

Your benefits are an important part of your overall compensation. We are pleased to offer a comprehensive array of valuable benefits to protect your health, family and way of life. This guide answers some of the basic questions you may have about your benefits. Please read it carefully, along with any supplemental materials you receive.

Eligibility

You are eligible for benefits if you work 40 or more hours per week. You may also enroll your eligible family members under certain plans you choose for yourself. Eligible family members include:

- ▶ Your legally married spouse
- ▶ Your domestic partner (DP) and/or their children, where applicable by state law
- ▶ Your biological children, stepchildren, adopted children or children for whom you have legal custody (age restrictions may apply). Disabled children age 26 or older who meet certain criteria may continue on your health coverage.

When Coverage Begins

- ▶ **New Hires:** You must complete the enrollment process within 30 days of your date of hire. If you enroll on time, coverage is effective on the your date of hire.

If you fail to enroll on time, you will **NOT** have benefits coverage (except for company-paid benefits) until you enroll during our next annual Open Enrollment period.

- ▶ **Open Enrollment:** Changes made during Open Enrollment are effective January 1, 2025 - December 31, 2025.

Choose Carefully!

Due to IRS regulations, you cannot change your elections until the next annual Open Enrollment period, unless you have a qualifying life event during the year. Following are examples of the most common qualifying life events:

- ▶ Marriage or divorce
- ▶ Birth or adoption of a child
- ▶ Child reaching the maximum age limit
- ▶ Death of a spouse, DP or child
- ▶ You lose coverage under your spouse's/DP's plan
- ▶ You gain access to state coverage under Medicaid or The Children's Health Insurance Program

Making Changes

To change your benefit elections, you must contact People Operations at PeopleOperations@RelayTx.com within 31 days of the qualifying life event. Be prepared to show documentation of the event, such as a marriage license, birth certificate or a divorce decree. If changes are not submitted on time, you must wait until the next Open Enrollment period to change your elections.

Enrollment

To enroll in benefits, visit ADP using the following link <https://workforcenow.adp.com/workforcenow/login.html>

There you will find detailed information about the plans available to you and instructions for enrolling.

Required Information—You will be required to enter a Social Security number (SSN) for all covered dependents when you enroll. The Affordable Care Act (ACA) requires the company to report this information to the IRS each year to show that you and your dependents have coverage. This information will be securely submitted to the IRS and will remain confidential.

Medical

We are pleased to offer a plan that provides comprehensive medical and prescription drug coverage, including many resources and tools to help you maintain a healthy lifestyle. Following is a brief description of the benefits.

Blue Cross Blue Shield of Massachusetts PPO

This plan gives you the freedom to seek care from any provider of your choice. However, you will maximize your benefits and lower your out-of-pocket costs if you choose a provider who participates in the network.

- ▶ The plan pays the full cost of qualified in-network preventive health care services.
- ▶ Once your deductible, copays and coinsurance add up to the out-of-pocket maximum, the plan pays the full cost of all qualified health care services for the rest of the year.

Health Reimbursement Arrangement (HRA)

The HRA is administered by HRC Total Solutions and is funded by Relay Tx. It covers 100% of the medical deductible - as you incur expenses that are subject to the deductible, HRCTS reimburses those costs by paying the provider directly.

The following is a high-level overview of the coverage available. For complete coverage details, please refer to the Plan Document.

Accumulated Maximum Rollover Benefits

As an added incentive for you to receive regular dental care, Blue Cross Blue Shield offers an Accumulated Maximum Rollover Provision. This unique benefit allows you to carry over a portion of your unused dental benefits from year to year. This means you can accumulate benefit dollars to help offset higher out-of-pocket costs for complex procedures in case more expensive treatments become necessary in the future.

Members can roll over unused balances of \$600 per year, up to an accumulated limit of \$1,500. You are eligible for Maximum Rollover benefits if you:

- ▶ Receive at least one service during the benefit period
- ▶ Remain a member of the plan throughout the benefit period
- ▶ Do not exceed the claim payment threshold of \$800 in the benefit period

Flexible Spending Accounts

We provide you with an opportunity to participate in our flexible spending accounts (FSAs) administered by HRC Total Solutions. FSAs allow you to set aside a portion of your income, before taxes, to pay for qualified health care and/or dependent care expenses. Because that portion of your income is not taxed, you pay less in federal income, Social Security and Medicare taxes.

Health Care FSA

For 2025, you may contribute up to \$3,200 to cover qualified health care expenses incurred by you, your spouse and your children up to age 26. Some qualified expenses include:

- ▶ Coinsurance
- ▶ Copayments
- ▶ Deductibles
- ▶ Prescriptions and Over-the-Counter Drugs
- ▶ Dental Treatment
- ▶ Orthodontia
- ▶ Eye Exams, Materials, LASIK

Dependent Care FSA

For 2025, you may contribute up to \$5,000 (per family) to cover eligible dependent care expenses (\$2,500 if you and your spouse file separate tax returns). Some eligible expenses include:

- ▶ Care of a dependent child under the age of 13 by babysitters, nursery schools, pre-school or daycare centers
- ▶ Care of a household member who is physically or mentally incapable of caring for themselves and qualifies as your federal tax dependent

For a complete list of eligible expenses, visit www.irs.gov/pub/irs-pdf/p503.pdf.

*Note: The maximum amount you can elect for 2025 is subject to change per IRS regulations.

Life and AD&D

Life insurance provides your named beneficiary(ies) with a benefit after your death.

Accidental death and dismemberment (AD&D) insurance provides specified benefits to you in the event of a covered accidental bodily injury that directly causes dismemberment (i.e., the loss of a hand, foot or eye). In the event that your death occurs due to a covered accident, both the life and the AD&D benefit would be payable.

Basic Life/AD&D (Company-paid)

This benefit is provided at **NO COST** to you through UNUM.

| Benefit Amount | |
|----------------|--------------------|
| Employee | 2x annual earnings |

FSA Rules

YOU MUST ENROLL EACH YEAR TO PARTICIPATE.

Because FSAs can give you a significant tax advantage, they must be administered according to specific IRS rules:

Health Care FSA: Unused funds up to \$640 can carry over from one year to the following year. Carryover funds will not count against or offset the amount you can contribute annually.

Unused funds over \$640 will NOT be returned to you or carried over to the following year.

Dependent Care FSA: Unused funds will NOT be returned to you or carried over to the following year.

There is a 90-day run-out period after the end of the plan year to file claims. **You can incur expenses through December 31, 2025, and must file claims by March 31, 2026.**

The IRS and your employer establish the maximum amount you may contribute each year. See the plan documents for details.

Disability insurance provides benefits that replace part of your lost income when you become unable to work due to a covered injury or illness.
